in 2002 the human sciences research council was commissioned by the wk kellogg foundation to develop and implement a five year intervention project focusing on orphans and vulnerable children ovc in southern africa in collaboration with several partner organizations the project currently focuses on how children families and communities in botswana south africa and zimbabwe are coping with the impact of hiv aids the aim of the project is to develop models of best practise so as to enhance and improve support structures for ovc in the southern african region as a whole this report forms part of a series that examines the work undertaken as part of the kellogg ovc intervention project from 2002 to 2005

in 1990 american news magazine 20 20 first showed the world the horrible conditions that many of romania s orphans encountered on an almost daily level each and every day the images and videos of these orphanages run down and almost in shambles inhabited by children who looked barely living and nonhuman shocked the world almost immediately there was an international outcry and an outpouring of international adoptions and aid into the country to save these children the country of romania panicked and the world watched as more and more horrible stories emerged about the awful conditions of these orphans the ones that would become a lost and abandoned generation but what was it really like besides the things the world saw and heard what was the daily life and doings of the common romanian orphan what did they experience how did they survive the terrible things that befell them what was it really like to live in these awful conditions in memories of childhood you ll get an exclusive inside story of a romanian orphan named nicolae burcea his memoirs from 1997 to 2001 recounts the vivid details of the day to day life of a typical romanian orphan you ll see the constant relocations the daily beatings the friendships that were made and lost within a few minutes the poor education and schooling the concerns and worries about where to find food next the abuse that never ended the happy vacations that came a few times a year the charity events the long and never ending process to get adoption finalized and the fight to remain dominant in a building crowded with other orphans struggling to survive and live you ll see the hopes and devastations of a lonely child and the thoughts and feelings of a boy who couldn t and wouldn t lose hope step into a world where everything normal is flipped upside down and innocence as we know it simply does not exist this book is truly unique in its vivid details and observations here is an eyewitness account of a boy

and others like him who were simply abandoned and forgotten nicolae burcea's story gives a voice to the thousands of orphaned children who had suffered the unimaginable fate of a child's worst nightmare in an ironic and matter of fact style burcea lets you see and even feel the life of romanian orphan

does the australian welfare system criminalize children this book unpacks history and politics to explore the treatment of child offenders

christians are clearly called to care for orphans a group so close to the heart of jesus in reality most of the 153 million orphaned and vulnerable children in the world do not need to be adopted and not everyone needs to become an adoptive parent however there are other very important ways to help beyond adoption indeed caring for orphaned and vulnerable children requires us to care about related issues from child trafficking and hiv aids to racism and poverty too often we only discuss or theologize the issues relegating the responsibility to governments no one can do everything but everyone can do something based on his own personal journey toward pure religion johnny carr moves readers from talking about global orphan care to actually doing something about it in orphan justice combining biblical truth with the latest research this inspiring book investigates the orphan care and adoption movement in the u s today examines new data on the needs of orphaned and vulnerable children connects liberal issues together as critical aspects of orphan care discovers the role of the church worldwide in meeting these needs develops a tangible sustainable action plan using worldwide partnerships fleshes out the why what and how of global orphan care offers practical steps to getting involved and making a difference

this scarce antiquarian book is a facsimile reprint of the original due to its age it may contain imperfections such as marks notations marginalia and flawed pages because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work

their mother was killed in an accident their father abused then abandoned them the state placed them in an orphanage where the abuse continued but they survived and grew strong now they along with their new family of orphans will fight

for the freedom of their country

a rich and varied cultural and social history of an overlooked but ever present phenomenon and an impassioned plea for proper care today

the story begins before the turn of the century the gillis s live a very easy and tranquil life in spite of active and noisy boys but soon the tranquillity is shattered first albert then john die within months of each other then six years later lydia and her husband joseph die within months of each other lydia and joseph leave six children and rather than have them stay with their grandmother gillis joseph sends them to his sister in sault ste marie ontario canada just before he dies before long the uncle decides he wants their inheritance so he moves them to kit carson colorado after all the hardships they have already encountered he puts them up in a tent on the prairie soon the authorities are notified that the children are not being cared for and all but the oldest daughter are sent to the home for neglected and abandoned children in denver janet the oldest stays with a family in kit carson and works for her keep while going to school the family is good to her and they treat her like one of their own the oldest boy charles falls ill while in the home and dies at the age of fourteen john and joseph are sent to work in the coal mines in durango and pueblo ruth the baby is adopted by a family that moves to illinois that leaves rose who is fifteen to be farmed out to wealthy families in denver to work for her keep when she is eighteen she is emancipated from the home and can go where she pleases the story follows the paths of each living orphan each one has their own memories of the way life was on their journey and how the hardships formed their character rose was the only one that seemed to deny the past and so she would bury herself in romance novels and lived her life as a fantasy she would never talk about her childhood or the years after her parents died until she was emancipated from the home and her return to kit carson many times her comment was that she didn't deserve anything better in life

god's call to care for the orphaned and vulnerable children of the world is not easy or comfortable and it will require willingness commitment and sacrifice the more you know about the global orphan crisis the more your heart will break and it will cause you to want to do something anything to make the life of an orphaned child a little easier the need is overwhelming but if you are willing you can be part of the global orphan solution it is a decision that will change your

life forever the journey will be worth the effort in countless blessings along the way together with god s strength you can be the hands and feet of christ and make a difference in the life of an orphaned child now and for all eternity are you ready for the adventure of a lifetime
